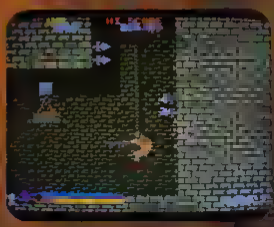
ラスタン サーガ

RASTAN SAGA



RASTAN SAGA

Press left button for using sword. Direction of attack is controlled by joystick position.

Upper stab

Middle slash

Lower Slash

Downward Stab

Press sword button and pull down on joystick for downward stab.

Rastan is comprised of 6 patterns of 3 scenes per pattern. To clear each pattern you must eliminate all enemies and defeat the castle boss. Game ends when clearing the 6th pattern.

* Energy is lost when coming into contact with enemies and other obstacles.
* All energy is lost if you fall into the water or fire, or, hit by the suspended ceiling, or stabbed with ground spears.
* Game ends when all lives are lost.

Collect power up items by stabbing them with your sword.

Axe — Increases your offensive power.

Hammer — Extends your offensive range.

Fire Sword — Increases offensive power by shooting fire balls.

Jewell — Bonus points.

Shield — Reduces damage from enemy attacks.

Mantel — Reduces enemy damage by one half.
